## President's Message

### Hail Rotarians

June has come and signifies the end of the Rotary Year. Eleven months have passed, and much has been accomplished due to the hard work of Lodi Rotary Club members.

Looking back to last July, we started the beginning of the Rotary Year with a bus trip to a San Francisco Giants game. In August, we celebrated a Steak and Oysters feed at the Mettler Family Winery. September came and a very successful fundraiser ensued in our Corks for a Cure event. October saw two quality dinners at Dan Ingram's home and at the Stangeland's abode. In November members filled several tables at the District Rotary Foundation Dinner in Stockton. And who will forget the lovely Christmas Party we had in December!

January was a busy month consumed in preparations for our main fundraiser, Shrimp Mania. This event produced record profits that has allowed us to carry out our philanthropic work internationally and locally. February's Valentines Dinner at St. Jorge Winery was very special. The setting, the food and the Delta College Choir were outstanding. March and April were programmed with speakers who raised our consciousness on many important issues. Finally, in May, members worked at Tokay High School to beautify school grounds. We also put together Emergency Information Kits for senior citizens. On top of that, at the District Conference in Monterey, our club was named as a " Gold Level " club. Only seven of the fifty-four clubs in our district met this standard.

With that, I want to thank you for the privilege of being your Club President this year. I have learned a lot from you. And I wish the best success to my successor, Mike Hodge. May he have an even better year!

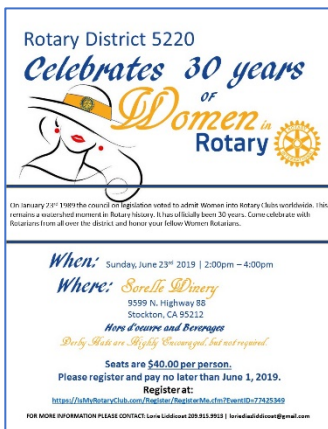

YIRS,

Phil

### Coming Events

#### Combined Executive Board Meeting – June 21, 2019

The outgoing and incoming boards will meet at the President Elect's home in Galt. The PE will present the plan for the coming year to both boards and seek their input and approval on the proposals. The approved plan will be presented to the club in July for their input and support.

#### Celebrate 30 years of Women in Rotary, June 23, 2019

Sorelle Winery, 9599 N. Hwy 88, Stockton CA 9521. Sign up at the link below

<http://www.ismyrotaryclub.org/Calendar/Event.cfm?EventID=77425349>

#### District Grant Committee Meeting July 9, 2019

International Club Chairs are invited to attend either in person or by conference call. Meeting is at Perko's Café, 4642 Kiernan Salida 95368, Chair, Dave Mantooth

**Shrimp Mania** - will be held on February 8<sup>th</sup>, 2020. Once again, our very talented kitchen crew will be working under the masterful eye of Dan Ingram. This year will be better than ever (not that last year's wasn't great). It is not too early to start finding items to donate and talking to your friends about supporting the event.

**District Conference** - DGE Jim Pearce has scheduled the next conference to be held at the Tenaya Lodge, Yosemite, CA. Plans are underway now so stay tuned. If you haven't attended a conference you really are missing a fun and inspiring event.

**Rotary International Conference – June 6 – 10, 2020** Honolulu, HI. Go to <http://www.riconvention.org/en> register. Our very own Sherry Cotta will be District Governor Elect at this conference so if you can attend please do and show your support for Sherry and Joe. Sherry will be DG during the year of our Centennial, and this will be a busy year for the club.

**Rotary International Conference 2019**

There were four of our club members in attendance in Hamburg (Mike and Kathy Hodge and Joe and Sherry Cotta). Hamburg is a beautiful city and has an amazing convention center. It easily handled the 26,000 Rotarians from all over the world. It truly was a once in a lifetime experience for us.

We met many Rotarians and saw some great exhibits in the Hall of Fellowship. This was an area where clubs and organizations showcased their causes. There are so many worthwhile needs to support and not enough money or time to support them all. We learned of great water projects, \$1 eyeglasses which is a project that is designed to provide eyeglasses to people at low cost and at the same time teach a person in a foreign country how to build a business. One of our more educational experiences was a result of Dr. Mary Fujiwara, the sister in law of our very own Brian Kaneqawa. Until we attended the TB presentation on TB, we had no idea of the problem TB was for many countries in the world. We have provided some pictures of the slides presented at the conference. Our club should take part in the RI effort to eradicate TB. We are ridding the world of Polio; we should rid the world of TB as well.
