Our very own Jerry Frye is a TV star 😊  
Tonight on the education channel we were watching an episode on CA Education. This episode was on autism and it featured many things that were being done to improve education. It featured the use of local grown foods and Jerry was explaining the value of local grown fresh foods. Take a look...

## What is in a Dictionary?

This month all the 3d graders in the Lodi Unified School District found out the answer to that question. They investigated the answer to the question by looking into their own dictionary to find the answer. Every year for the last ten years Lodi Rotary Club 583 has been a sponsor of this project by giving a dictionary to each 3d grader. Our Rotary Club is the oldest in Lodi and we will observe our 100th birthday in 2021. It is our way of supporting Literacy, of the six initiatives of Rotary International.

## PAUL HARRIS SOCIETY FREQUENTLY ASKED QUESTIONS

### WHAT IS THE PAUL HARRIS SOCIETY?

The Paul Harris Society recognizes Rotary members and friends of The Rotary Foundation who contribute \$1,000 or more each Rotary year to the Annual Fund, PolioPlus Fund, or approved Foundation grants.

Paul Harris Society recognition was administered by districts until it became an official Rotary Foundation recognition program in July 2013. Its purpose is to identify, engage, and thank members who have the ability and desire to make substantial annual gifts to help communities around the world.

# We Support Love Lodi Day each year

## Love Lodi Day

fell on April 14, 2018. Rotary Club 583 stepped up again and helped Love Lodi Day with two planting projects - The entrance to Lodi Lake and City Hall. Three fearless Rotarians led by Jim Fitzpatrick, reinforced by our fearless Norwegian President Kirk Stangeland and Worker Bee First Class Mike Hodge accomplished all of this in 3 short hours leaving time for coffee at Tillies. With the help of the Lodi Girl Scouts knocked off the first project about 10 AM and moved on to the City Hall and helped with some more landscaping. Our partners in this project were some young Mormon men who got the job done in no time while the three Rotarians cheered them on. Below are two short videos and some pictures to commemorate the day. (And to think, with only one broken pipe:-) Here is a link to the first video at Lodi Lake and the second video at City Hall.

# We Support the Love Your Block Program

## Lodi's Love Your Block Program

Our Rotary Club received a presentation on the ABCD from Sheri Aguilar on Thursday, October 24, 2018. The ABCD program (Asset Based Community Development) is an innovative program modeled after similar programs established in cities nationwide. It is organized by the Lodi Chamber of Commerce and supported by mini-grants of up to \$500. Individuals in the area form and develop project ideas and then apply for a grant. If their grant is approved they receive leadership training and get connected to existing community resources to help implement the project. Click the ABCD Video button to watch a short video desc In the asset based development research initiated by Professors John McKnight and Jody Kretzmann, over 1,000 residents of 20 cities in 300 neighborhoods were interviewed and these are the basic findings about how assets build powerful neighborhoods. They indicate the importance of people or groups that initiate a connecting process. (Lodi Chamber and City of Lodi)

- The most powerful neighborhood is a place where neighbors are producers of the future rather than just victim, clients, or consumers.
- The community is empowered to make the changes they see as important to them
- Through mentoring, educating and empowering communities make improvements and as a result are strengthened.

You can help by donating to their cause (tax deductible gift, volunteering and getting involved in Cycle II, connecting them with a group or local business to spread the work and raise funds and inviting friends and family to attend an ABCD community improvement event.

Sheri Aguilar is one of the coordinators for the program and if you desire more information you can reach her at [Sheri@RealtorSheri.com](mailto:Sheri@RealtorSheri.com). Her presentation explaining how the program works can be viewed by [clicking here](#).

# We Support the Loel Senior Citizens Center

The image is a screenshot of the Loel Senior Center website. At the top left is the Loel Senior Center logo, which consists of a stylized tree icon and the text "LOEL senior center". To the right of the logo is a navigation menu with the following items: "ABOUT", "FACILITY", "PROGRAMS", "NEWS AND ACTIVITIES", "SUPPORT", and "CONTACT". Below the navigation menu is a large banner image. The banner features a group of approximately 25 senior citizens of various ages and ethnicities, many of whom are waving or smiling. They are posed in front of a blue wall that has the words "LOEL Senior Center" written on it in large, light-colored letters. A semi-transparent dark grey box is overlaid on the left side of the banner image, containing the text "LOEL Senior Center" in a large, white, serif font. Below this title, in a smaller white font, is a paragraph: "LOEL offers something for everyone, from social programs to a nutritious lunch program. LOEL is a community gathering site where Seniors can participate in a variety of activities such as Exercise, Bingo, Line Dancing, making crafts, or simply playing a game of cards with their friends." In the top right corner of the banner image, there is a small blue square icon with a white Facebook logo.

# We host an Annual Speech Contest

This meeting was highlighted by having three Bear Creek High School students (Richard Emiko, Lauren Oaks and Jayden Reyes) deliver speeches centered on the theme, Making a Difference. Their sponsor, Karen Minick, was proud of their efforts. The speakers were limited to 5 minutes each and the competition was administered by Jeff Thompson, Club Speech Coordinator, and judged by Cathie Bacher-Woods, Tony Amador, President-Elect, and Phil Lenser. Bob Slayback timed the speakers.

First place went to Richard, second place to Jayden and third place to Lauren. Pictures of each student are shown below with a brief statement from the highlights of their speech. America, not to worry, our next generation will make a difference.

Lauren Oaks  
"...a small action  
can make a great  
difference."

Richard Emiko  
"...it won't matter if you  
have all the money in the  
world if you don't use it to

### FROM THE PRESIDENT

#### Thank you!

Before talking about what is happening with our club in September, I want to thank the many members who made our Steak and Oysters event so successful. I don't have the space in this column to personally name each individual. But I just want to say again: Thank You. Our evening together last Thursday was special and a new memory for our club moving forward.

September in the Rotary Calendar is the month we focus on promoting literacy. To this end, Mike Hodge and others will be providing an update to their literacy efforts in our community at our meeting on September 13th. Last year Mike gave a very touching presentation on literacy with the help of one of his students. I am looking forward to hearing about what the fruits of his efforts have achieved since then.

On September 20th, Lodi City Manager, Steve Schwabauer, will talk about a proposed tax to augment the City's budget. This presentation will obviously generate a lot of discussion both pro and con. So, keep an open mind when you hear the arguments.

On September 27th we will hear from CASA of San Joaquin County. CASA stands for Court Appointed Special
