We are adapting to the Internet environment and on April 23, 2020 we had Susan Schneider, give us a talk on Climate Change. Climate Change is one of Rotary International's initiatives. Here is a link to our [Climate Change page](#) if you are interested in learning more about it.

In our April 30, 2020, meeting I will be asking for nominations for the offices of Secretary, Treasurer and Sgt. @ Arms and Director positions in accordance with Article 3, Section 1 of the club Bylaws. Please be considering club members that you think would be interested in serving and qualified for the Executive Board. The President Elect Nominee committee is finalizing their recommendation and

hope to have the nominee ready for announcement on April 30, 2020. However, if they are not finished, they will present the nominee in time for May election.

Ultrasound Grant Update – Rotary International has deposited the funds for the purchase of the machine in the Philippines Rotary club account. I contacted PDG Rey Castillo regarding the purchase and they are on lockdown as are we . Below is his response to my inquiry.

*Yes, mike we received notice from TRF that the fund will be transferred to our project account for a period of seven days. We will inform you as soon we received the funds. Our place is at lockdown and we cannot go out from one town to another due to Covid 19 pandemic and banks open only two times a week until 3pm. The implementation of enhanced community quarantine(ECQ) is very strict and all of us are advised to stay at home until April 30 and might be extended until May 15. Pls bear with us in this crisis we are having all over the world. Rest assured the we will keep you and posted of all the updates. Stay safe too with your family. Rey*

Until next time, stay safe.

*Mike Hodge*

This Facebook Live event will be simulcast on the [Rotary International](#) Facebook page. The goal is to raise more than \$1 million dollars. **(the link is now live)**

Rotary's 1.2 million members across the globe have taken swift action to respond to the COVID-19 pandemic. More than \$3.4 million in Rotary Disaster Response Grants have already been put into action on the front lines to battle COVID-19. Additionally, millions more have been raised by our [#PeopleofAction](#) - they have responded quickly and are truly saving lives. Now, we need to do more and the need for additional funding is a priority.

Join this live event to hear stories of hope, inspiration and gratitude from Rotarians, Rotaractors and friends of Rotary from across the globe as they share what they are doing to help their communities. The telethon will also showcase how our polio eradication infrastructure is helping to combat COVID-19.

How can you participate:

1. Participate in the telethon on Facebook Live on 2 May at [Rotary International's Facebook Page \(facebook.com/rotary\)](#). The live stream will be simulcast in eight languages.
2. Share this event & spread the word through your social media channels.
3. Invite friends, family, and members of your community to watch and see first-hand what Rotary's People of Action are doing to combat COVID-19.
4. Post on social media during the broadcast and on the day of the event using the hashtag [#RotaryResponds](#).
5. Donate as an individual or as a club at <http://on.rotary.org/df>
6. Encourage your Rotary District to donate District Designated Funds (DDF) at <https://on.rotary.org/ddf-donate>. (Note: DDF received between April 22st and May 3rd will be considered part of the telethon fundraising total.)
