If you don't know who Paul Harris was, ask your neighbor, if they are a Rotarian they will tell you.

PAUL HARRIS SOCIETY FREQUENTLY ASKED QUESTIONS

WHAT IS THE PAUL HARRIS SOCIETY?

The Paul Harris Society recognizes Rotary members and friends of The Rotary Foundation who contribute \$1,000 or more each Rotary year to the Annual Fund, PolioPlus Fund, or approved Foundation grants.

Paul Harris Society recognition was administered by districts until it became an official Rotary Foundation recognition program in July 2013. Its purpose is to identify, engage, and thank members who have the ability and desire to make substantial annual gifts to help communities around the world.

What is in a Dictionary?

In December all the 3d graders in the Lodi Unified School District found out the answer to that question. They investigated the answer to the question by looking into their own dictionary to find the answer.

Every year for the last ten years Lodi Rotary Club 583 has been a sponsor of this project by giving a dictionary to each 3d grader. Our Rotary Club is the oldest in Lodi and we will observe our 100th birthday in 2021. It is our way of supporting Literacy, one of the six initiatives of Rotary International.

We Support Love Lodi Day each year

Love Lodi Day

fell on April 14, 2018. Rotary Club 583 stepped up again and helped Love Lodi Day with two planting projects - The entrance to Lodi Lake and City Hall. Three fearless Rotarians led by Jim Fitzpatrick, reinforced by our fearless Norwegian President Kirk Stangeland and Worker Bee First Class Mike Hodge accomplished all of this in 3 short hours leaving time for coffee at Tillies. With the help of the Lodi Girl Scouts knocked off the first project about 10 AM and moved on to the City Hall and helped with some more landscaping. Our partners in this project were some young Mormon men who got the job done in no time while the three Rotarians cheered them on. Below are two short videos and some pictures to commemorate the day.
