President's Message

Spring has finally arrived and with it we turn to several activities we do each year. First, the District 5220 Conference was the weekend of May 3 – 5th, in Monterey. We sent a “Delegation” to this event. Besides Nancy and I, Mike and Kathy, Joe and Sherry and Brian and Leah were in attendance. The District Conference agenda was packed with many high-powered speakers and offered many opportunities for networking with other Rotary Clubs. Of note was the Flag Ceremony that opened the session on Saturday. Flags, from all the countries our district has projects in (or completed), were carried in by the Presidents and Presidents elect.

Next this month, we will be giving a scholarship to a Lodi High School student on May 16th. This year we have focused on providing a scholarship to a student interested in Career and Technical Education curriculum. The student selected well deserves this opportunity. Thanks to Jeff Thompson for handling this project.

Finally, we will continue our tradition of putting on a “Pizza Party “ at Needham Elementary School for those students who have had “ Perfect Attendance “ this school year. This event will be on May 23rd and will substitute for our regular meeting. Please put this on your calendar. The pizza luncheon is tentatively scheduled for 11:30 am. More information to come.

Enjoy the May flowers after those April showers!
Yours in Rotary Service,

Phil
